## Shared Services and/or Consolidation

Recently, you may have been asked to sign a petition that would require a referendum in November of 2008 on whether we should fund a study on shared services and the possibility of Harrington Park consolidating our town with the community of Old Tappan.

At the time of this writing, the petition lacked the required number of signature. The Old Tappan petition also lacked the necessary number of signatures.

This is not the place for me to comment on the political aspect of this activity, but I will tell you that several people have asked to have their names removed for various reasons. I want you to also know that we have many shared service agreements already in place. In addition, we are currently working on the purchase of DPW equipment to meet our responsibility of the new Stormwater Management laws passed in Trenton. For years, we have developed agreements with neighboring towns to help reduce the cost of local government.

For every dollar we save, our representatives in Trenton send us new bills for "unfunded mandates" that result in major tax increases in property taxes.

I am interested in your thoughts on this matter. If time permits would you please write and let me know your thoughts and concerns.

## "THE MICROBURST"

As you know by now, Wednesday, August 6, 2008 proved to be a most unusual day in Harrington Park. While we experienced a lot of damage to both dwellings and trees, we were fortunate that no one was hurt.

Under separate cover, I have thanked all those who were involved in the recovery effort. By 6pm that day, just 12 hours after the event, all but a handful of our residents were back on line. All of the emergency service groups were on the scene and helped coordinate our operations.

A special thank you was extended to all of our Borough agencies and the people working in those capacities. I also thank the residents of Harrington Park for reaching out to those most severely impacted by the microburst.

**Thank you.**  
**Paul A. Hoelscher, Mayor**

David L. Ward 1906-1908

John D. Campbell 1908-1912

Arthur E. Taylor 1912-1916

John A. Carlson 1920-1922

Harry J. Grumpelt 1928-1930

Lester C. Brower 1932-1942

Joseph D. Fagan 1955-1956

Contact Ann Lott Bistriz at 201-768-1714

## *Clerk's Corner....*

Susan S. Nelson, RMC, CMR  
Borough Clerk 201-768-1700

**Raffle Licenses**- If you are planning to hold a raffle or a 50/50, please come in to get all the forms and paperwork. The process requires Mayor and Council approval prior to holding your raffle. If you plan to sell tickets ahead of the event a license from the State of New Jersey is required. No matter how charitable the cause, you must get a license.

**Pet Licenses**- Do you have a new dog or cat? By New Jersey statute new pets must be licensed by the age of 7 months. No license can be issued without rabies certification through at least Oct. 31 of the current year (rabies vaccinations for new pets are usually only valid for one year). If the expiration date is prior to Oct. 31 of the licensing year, you need a new vaccination before a license can be issued. All dog and cat licenses expire on Dec. 31 each year. New licenses are due by Jan. 31 of the subsequent year. Licenses issued after Jan. 31 are subject to late fees of \$10 per month. After April 1 you are subject to a summons. *If your beloved pet is no longer with you, please notify this office so that we can update our records.*

**Notary Public**- If you need documents notarized, I am available from 10:00am until 4:30pm most days. I am also available for notary services on certain scheduled evenings.

**Resident Feedback**- Please call my office or email me at [hpboro@optonline.net](mailto:hpboro@optonline.net) and I will be sure to pass the information to the appropriate personnel. There is also a form on the Borough website at [www.hpboro.net](http://www.hpboro.net) that can be filled out and sent in.

October 14 is the deadline to register to vote in the November general election. The Clerk's office will be open until 9:00pm for that purpose.

Governor Corzine has signed new legislation for military absentee ballots. Call the Clerk's office for more information-201-768-1700

## **ENVIRONMENTAL COMMISSION**

**Ann Lott Bistriz, 201-768-1714**

**Next meeting September 10, 2008 8pm at Borough Hall**

The EC welcomes a new column ...***HP Naturally***

**Sponsored by HP Girl Scout Troop 702**

We are fortunate that in our town, over 300 residential lots border on or overlook parkland and protected forests.

Did you know the residents of HP have a wonderful natural resource right in their backyard? Discover Beechwood Park located off of Beechwood Place along the Hackensack River. Less than 15% of the 278 Middle School students in HP last year had never heard of, or visited Beechwood Park; only 45 students knew the "stream" was the Hackensack River.

This forest, along with the rest of the watershed property in our area serves to protect and clean the water we drink. The Upper Hackensack River watershed provides water for over 1 million people in Bergen and Hudson counties.

Go out and take a walk in our woods, admire the beauty of the American Beeches and experience ***HP Naturally***.

## **MAYORS OUTREACH TASK FORCE**

**Confidential HOT LINE** for those who need help

**201-768-0873**

Over 57 bags of food and \$315 in donations was raised**

**Zach Zahos with Sgt. Janis Shaw of the National Guard Armory Food Bank, Teaneck.**

## ***From the Mayor's Desk...***

### **HP VOLUNTEERS OF THE YEAR**

I was very pleased to submit the names of Mrs. Ethel Johnson and Mr. Arnie Seymour-Jones as our Volunteers of the Year. Each year, Bergen County honors those who give so freely of their time as volunteers.

Mrs. Johnson has been very active in the creation and development of our municipal library. Ethel has also held almost every position in the Woman's Club. She was also very active in the PTA before it became the HP-HSA. In addition, Ethel has contributed many hours of service in church and political activities.

For over 40 years, Mr. Seymour-Jones has been a member, (and for several years), chairman of our Planning Board. He has also served on the Recreation Commission and as Scoutmaster of Boy Scout Troop 111. Arnie has volunteered his services to the HP Community Church and the New-York-New Jersey Trail Conference.

This is a well deserved honor for both Ethel and Arnie which will be recognized at a program in mid-October at the County Offices. Many thanks to both of you.

### **OUR CHILDREN'S SAFETY**

There are two areas of concern that need our attention. First, please remember that unless otherwise posted, **ALL** roadways in HP have speed limits of **"25" MILES PER HOUR**. I am asking that you please slow down. Specific areas of concern are Highland Avenue and Bogerts Mill Road. Remember these are OUR children and the schools are to back in session soon.

Second, the section of Beechwood Park that we lease from United Water is being used for activities that are both dangerous to those involved and not permitted under our lease. If your child is involved please correct the situation. The police have been asked to increase there efforts at Beechwood. Thank you in advance for your cooperation.

### **REMEMBERING THOSE SERVING**

Joanne Scalpello of Harrington Park Travel, and a resident of the town, and mother of a son who is currently in the military, has agreed to chair an ad-hoc committee to maintain communication with our residents serving in the military.

In addition, through regular contacts from the Borough, we hope to provide those serving with various tokens of our appreciation. If you know of anyone in the service, please let us know so we can include them in this program. Thank you.

### **OFFICERS SPRENGEL AND FIERRO TO BE HONORED**

On July 14, 2008, police officers David Sprengle and Justin Fierro responded to an accident involving Mr. Robert Lewis of Harrington Park. The nature of the accident caused the car to burst into flames. At risk to their own lives, David and Justin were able to remove Mr. Lewis, saving his life.

Officers Sprengel and Fierro will be recognized for their efforts at our September 15, 2008 Mayor and Council meeting at 8pm. I also plan to join with the Closter Police Dept. in submitting their names to the 200 Club, AAA and the American Red Cross for the appropriate recognition. Thank you for a job well done.

### **TASK FORCE LOGO WINNER**

Our Community Task Force, now known as "Neighbors Helping Neighbors", sponsored a logo contest through the Library's Summer Reading Program. The purpose was to find a picture that depicts their service to HP. The winner of the contest was Sari Abolafia. The very close runners-up were Varsha Vijayakumer and Mary Moskowitz. Congratulations, you all did a fine job.

### **EMERGENCY MEDICAL CARD DISTRIBUTION**

In the very near future, you will be receiving *Emergency Medical Cards* that you hopefully will post on your kitchen refrigerator door. This information will help our Ambulance Corps and Emergency Medical crews to serve you better. I hope you take the time to post this information. More forms are available at Borough Hall. You should have one for each family member.

***Paul A. Hoelscher, Mayor***
